About the Irish Whale & Dolphin Group

Founded in 1990, the IWDG is dedicated to the conservation and better understanding of whales, dolphins and porpoises in Irish waters. The IWDG is a broad mix of conservationists, whale-watchers, educators and mariners but above all people who are passionate about marine wildlife and whales and dolphins in particular. For more information and ways to support the IWDG please visit www.iwdg.ie.

For everyday ways to help protect our oceans, please visit www.seathebeauty.net
