

Marine Notice No. 23 of 2025

Notice to all Shipowners, Fishing Vessel Owners, Agents, Shipmasters, Skippers, Fishers, Yachtsmen and Seafarers

North Celtic Sea Offshore Wind Farm Recovery of Metocean Equipment

1. Notice of Activity

The Department of Transport has been advised by Energia that they intend to recover the deployed floating LiDAR (FLiDAR) buoy mentioned in Marine Notice No. 19 of 2024 and located as per the table below. The work will be carried out between **10 May 2025 and 10 June 2025**, subject to weather and operational constraints.

2. Location of Activity

The recovery operation will take place at the locations indicated in the table below in the North Celtic Sea. Further information on these locations is available in the map in the Appendix to this Marine Notice.

Table: Site Location Coordinates

Site	Latitude	Longitude	Depth
FLiDAR	51° 58.92918' N	7° 14.44721' W	52
(back up)	51° 56.9485' N	7° 14.4921' W	52

3. Details of the Vessel

The recovery operations will be conducted by the “**Mar Fortune**” (**Call sign: LEZI**). As the vessel will be recovering buoy equipment, it will be restricted in its ability to maneuver. Therefore, all vessels are requested to leave a wide berth during the operations and pass at minimum speed to reduce vessel wash. Vessel audio transmissions will be conducted with other seafarers to notify them of the operations.

4. Contact Details

Enquiries regarding the contents of this Marine Notice, or any other relevant matters, should be directed to:
