Notice to all Shipowners, Fishing Vessel Owners, Agents, Shipmasters, Skippers, Fishers,
Yachtsmen and Seafarers

Geophysical and Geotechnical Survey Off the Coast of Galway

1. Notice of Activity

The Department of Transport has been advised that a geophysical and geotechnical survey will be undertaken by Elettra TLC SpA in the Atlantic Ocean off the coast of Co. Galway, on behalf of Deepsea Fibre Networks Ltd. The survey will involve the deployment of towed equipment from the survey vessel within the bounds of the areas detailed below. The survey will start on **26 October 2025** and will finish on **11 December 2025**, depending on weather and operational constraints.

2. Location of Activity

The geophysical and geotechnical survey will follow a cable route with start and end point locations listed in the Table below. Further information on the route positions can be found in the table at Appendix 1 to this Marine Notice with a map of the survey works set out in Appendix 2.

Table: Start and End points for the works corridor

Cable Corridors	Starting Point		Ending Point	
	Latitude	Longitude	Latitude	Longitude
Works Corridor	53° 16' 10.3606" N	9° 01' 03.3247" W	48° 31' 34.0455" N	13° 23' 52.6522" W

3. Details of Vessel

The survey will be conducted by the "**EXPLORA**" (**Call Sign: IXWQ**). The vessel will display appropriate lights and signals. Due to the deployment of towed survey equipment from the vessel for the duration of the survey activities, the survey vessel will be restricted in its ability to manoeuvre and as such other vessels are kindly requested to keep a wide berth.

Vessels are requested to pass at a safe speed and distance and fishing vessels are advised to remain a safe distance from the areas identified - CPA > 1.0 NM. The vessel will maintain a listening watch on VHF Channel 16. Mariners are advised to keep continuous watch on VHF radio channel 16 when navigating the area. A Marine

and Fisheries Liaison Officer will be available to discuss operations throughout the duration of the survey campaign.
