16 NOTIFICATION OF TAKING ALTERNATIVE PENALTIES AND INTENTION TO PROTEST

- 16.1 Competitors are reminded of the requirement under S.I 12 to notify the committee boat of having taken an alternative penalty before leaving the finish area.
- 16.2 In addition to the requirements under RRS 61 boats shall draw the attention of the Committee Boat to an intention to protest **before leaving the finish area.**

17 PROTESTS

- 17.1 All protests shall be lodged only on official Protest Forms, which will be contained in the race pack received on registration. Protest Forms are also available for download at https://www.shsc.ie/docs/protest_form.pdf and may also be made available on the WhatsApp Group "Calves Week Notice Board" or on request from CalvesRaceManagement@gmail.com.
- 17.2 Completed Protest forms shall be emailed to CalvesRaceManagement@gmail.com as soon as possible and in any case within 60 minutes after the last boat in the race of the day finishes, unless the Protest Committee has reason to extend this time. This changes RRS 61.3
- 17.3 It is the responsibility of the PROTESTOR to inform the PROTESTEE of the intention to lodge a protest at the first available opportunity after the event which gave rise to the incident being protested.
- 17.4 On receipt of a valid protest dealing with a breach of a rule in Part 2 of the RRS or RRS 31 (Touching a Mark) the OA will appoint an arbitrator for the purposes of facilitating an arbitration hearing. (See also 10 below). This changes RRS 44.3, 63, 64 and 66. The arbitrator may decide based on the protest submitted if arbitration is suitable.
- 17.5 Should the arbitrator decide that **arbitration is suitable**, The OA will contact the parties to the protest to determine if the parties will agree to arbitration in the circumstances set out in Section 18 of these sailing instructions. Should both parties agree the OA will inform them of the time and place for the

arbitration hearing and will furnish the parties with a copy of the protest. The time and place of the arbitration hearing will be published on the WhatsApp Group “**Calves Week Notice Board**” which will be deemed as notifying all parties of the time and place of the hearing. It is then the responsibility of the parties to present themselves for the arbitration hearing

- 17.6 Should the arbitrator decide that **arbitration is not suitable or either party declines arbitration in accordance with Section 18 of these instructions**, The OA will contact the parties to the protest to inform them of the time and place for the protest hearing and will furnish the parties with a copy of the protest. The time and place of the protest hearing will be published on the WhatsApp Group “**Calves Week Notice Board**” which will be deemed as notifying all parties of the time and place of the hearing. It is then the responsibility of the parties to present themselves and any witnesses they wish to call for the protest hearing. The arbitrator may be a member of any protest committee thus convened.
- 17.7 The arbitration and protest hearings at the sole discretion of the OA may be conducted in person or remotely using the Zoom application.
- 17.8 Should the hearings be held via Zoom the club may appoint an additional attendee for the purposes of assisting the arbitrator and the protest committee in the orderly running of the hearings. The orderly running of the meetings may involve contributors being muted and moved from the meeting to a waiting area or asked to leave or be removed from a meeting temporarily.

18 ARBITRATION

- 18.1 As an alternative to a full protest hearing, an arbitration system may be used. When all parties to an incident agree, a Protest Arbitrator, appointed by the OA may decide a protest. Such arbitration shall replace the protest hearing required under RRS 63. The system may only be used if before the hearing all parties agree to accept the arbitration decision as final. All the parties shall have the opportunity of stating their case. The Arbitrator shall have total discretion as to whether any witness will be called. At any time during the hearing, he may terminate the arbitration and refer the incident to a full protest committee hearing; otherwise, at the conclusion of the arbitration hearing he will reach a decision.
- 18.2 Any party found to have infringed a rule shall not be disqualified but shall instead incur a 35% place penalty. No penalty shall result in a score, which would exceed that of a disqualification. Any decision shall be final; however, a request for reopening may be made under RRS 66.
- 18.3 When any party, at the time when arbitration is offered, declines to accept arbitration a full protest hearing shall take place.

19 RADIO COMMUNICATIONS

- 19.1 Competitors are advised to keep a listening watch on VHF Channel 69 where information relevant to racing may be broadcast. Should this information be broadcast, it shall not constitute outside assistance and shall not be the subject of any protest. Failure to broadcast this information shall not be the basis for any claim for redress.
- 19.2 Competitors who retire from a race shall inform the Race Committee promptly by radio on VHF Channel 69.
- 19.3 Competitors who do not start in any race shall inform the Race Committee promptly.

20 DISCLAIMER OF LIABILITY

No responsibility will be accepted by SCHULL HARBOUR SAILING CLUB, FASTNET MARINE OUTDOOR EDUCATION CENTRE, their members, servants or agents, nor those officials or

21 RISK STATEMENT

Rule 3 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.

22 INSURANCE

Boat owners and crew shall ensure that they are adequately insured against loss, damage or injury to persons, boats or equipment at all times and however occurring and shall maintain adequate third-party insurance cover and shall produce a valid certificate of insurance upon request.

23 FERRY SERVICE

While sufficient ferries will be in operation, the OA is anxious to avoid congestion on the pier. Competitors are therefore urged to allow ample time to get to their boats each morning.

24 CONSIDERATION OF NON COMPETITORS

The Organising Authority is dependent on the goodwill of all harbour users as well as the community of Schull for the continued successful running of this event. To ensure the continuing of this goodwill we ask participants and competitors to be considerate of other harbour users who may not be participating in this event in particular any commercial users who access the pier for the purposes of their business. We also ask that competitors be mindful of general road safety on the Main Street and to obey any requests of any stewards that are on duty in that area.

We would like to thank the following for their generous contributions.
