Overall Synopsis first afternoon evening

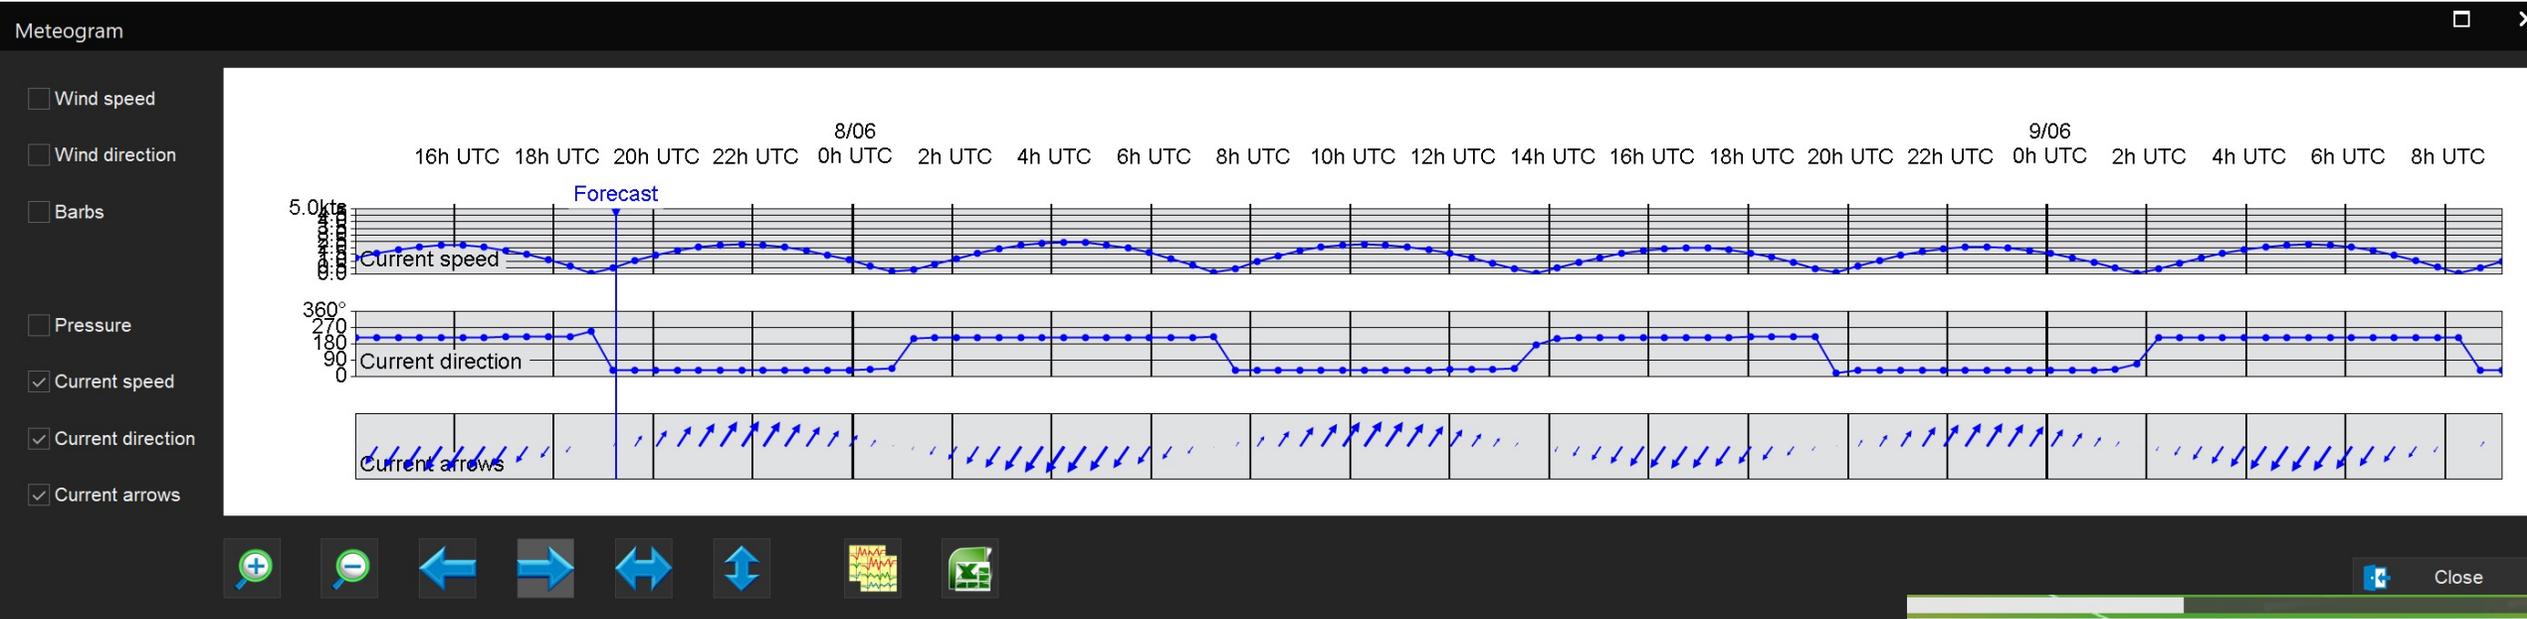

- Tide turns on East Coast at 1506 to run south, should help around Wicklow and most way down East Coast
- Be aware back eddies in Killiney Bay / Greystones
- Models show wind backing but staying in strength/maintain speed down coast
- VMG run to Tuskar as wind backs
- Sea State along East coast should not be too rough as going with tide
- Tuskar, tide starts running North at 2000 hrs local 1900 UTC

Dun Laoghaire to Dingle Bag Drop Service

OFFSHORE
RACING ACADEMY

from €15.00

Save weight on board and reduce the risk of your bags getting wet and get your bags delivered by the Offshore Racing Academy.

We will have a bag drop at Dun Laoghaire Marina 4 hours before the start time of the race.

Bags will be delivered to Dingle and available from the Race Office when boats arrive safely in Dingle after the race.

Small bags constitute crew bags and other similar sized items such as a standard sailing bag.

Large bags constitute delivery sails or other items such as outboard engines that are large and heavy.

Larger items above the size of a sail such as an inflatable dinghy will need to be booked and agreed prior to booking online. In this instance, please contact kenneth@inss.ie
